TRT	Video	Audio
00:00-00:04	Tracking shot zooming in towards a sign with nature surrounding the sign.	Natural sounds of running water and bird wildlife.
00:04-00:07	Freeze on sign displaying Keep Our Waters Clean part of the sign is covered by leaves	Continuation of bird and wildlife sounds without the natural running water.
00:07-00:08	Pan camera towards the left to start new tracking shot towards our main two characters viewed from the side	Continuation of bird and wildlife sounds without the natural running water.
00:08-00:12	Continuation of the tracking shot showing our characters leaning back on a tree. There are also two fishing rods in that shot.	Continuation of bird and wildlife sounds without the natural running water.
00:12-00:15	Medium Shot on the father who is shown coming out of a state of serenity to a state of disbelief.	Continuation of bird and wildlife sounds with the sound of the father coming to with a sound of excitement.
00:15-00:18	Close up on the fishing rod jiggling from the fish.	We hear the water being disturbed be a plop plop sound
00:18-00:20	Continuation of the CU with the father's hand coming in frame grasping the fishing rod	We hear the water being disturbed be a plop plop sound with the addition of crunching leaves as the hand comes in frame
00:20-00:23	Pull back the close-up to a long shot on the fishing rod with the father's hand revealing both the father and son retrieving the fish	We hear the plop plop sound fade as we hear the yanking of the fishing rod whirr as they retrieve the fish
00:23-00:28	Close up on the sons face with accompanying dialogue.	Son: Are we going to eat it?
00:28-00-33	Close up on the sons face from a low Dutch angle with accompanying dialogue.	Father: No, We can not
00:33-00:36	Close up on the fish with plastic protruding from it's body	Silence
00:36-00:38	Close up on the sign displaying the message Keep Our Waters Clean	The roar of water reappears

00:38- 00:40	Close up on the sign displaying the message Keep Our Waters Clean with the leaves blowing away the bottom portion revealing the full message Keep our Waters Clean Plastics and Fish Do Not Mix	The roar of water fades
00:40- 00:40	Freeze on the full sign	Silence
